ABOUT ME

I have a year of work in the IT-industry.

I am also actively taking advanced training courses in the following areas:

Front-end(React, NextJS, TypeScript)

Back-end(Nodejs, Nestjs)

In my current position I work as a ReactJs developer. I am part of a team that is developing a commercial application to combine the company's products on React. The technologies I use are JavaScript, TypeScript, React, Redux, Material UI, Node.js, NextJS. I'm also separately working on an outsourced game project on Wax blockchain technology (NFT-based game).
