ABOUT ME

Less than a year in the IT industry.

I took a course on Front-end development on the Codecademy platform. Also completed the WebUI Club course from SoftServe. Now I am actively study React and its possibilities.

At my current position I am working as a Junior Front-End Developer (React). I'm a part of a team that develops commercial application to combine the company's products on React. The technologies I use: JavaScript, TypeScript, React, Redux, Material UI, Node.js, NextJS.
